

Hello,

Bo, G and I are working on creating the Titan Coffee Shop for some fantastic students G works with 1-3 period. We would like to serve reasonably priced coffee, hot tea, hot chocolate, hot apple cider, and water. We intend for it to be delivered during teacher planning on Tuesdays and Thursdays with additional days in the future. We are hoping students will learn basic skills of reading and understanding coffee orders, filling them, delivering, counting money, and cleaning-up. The money made from this program will be used to buy more supplies and pay for student field trips to local areas to practice basic skills needed to succeed in daily life.

In order for this program to run smoothly we will set up a sign-up sheet for the month of January in the mailbox room on the left side of the mailboxes. When you sign up please take an order form, fill it out, and place it in G's box. This would allow faculty and staff to sign-up for specific days and place orders with no more than 10 orders per day as of now (we do not want to overwhelm the fantastic students or G right now with too many orders ;)) .

The hot beverages will be delivered in reusable travel mugs (we promise they will be cleaned and sanitized daily by an adult. ;) ) during the time you have marked. All we ask of you is to enjoy our beverage, socialize with the students a little, and return the empty travel mug to the wash-bin in the mailbox room below the sign-up sheet.

Hope to make this a FANTASTIC opportunity for some FANTASTIC Students!

Thanks in advance for your support.

Alyson
